FOOTBALL GOAL NETS FROM NYLON AND POLYETHYLENE

These nets are manufactured from braided nylon or braided polyethylene twines therefore have the best characteristics related to elasticity, knot fastness, resistance to rapid wear and breaking.

All nets are manufactured in our company, which pays a great attention to quality and durability of nets. The net colour depends upon our customer's request. Our nets have always enclosed additional ropes or strings necessary for fastening of nets to a structure.

Nylon

No. 2320	Football net 740 x 250 = 90 x 150 cm half mesh 120 mm, nylon 3 mm, white
No. 2324	Football net 740 x 250 = 90 x 210 cm half mesh 120 mm, nylon 3 mm, white
No. 2330	Football net 740 x 250 = 80 x 200 cm half mesh 120 mm, nylon 3 mm, white
No. 2336	Football net 740 x 250 = 80 x 200 cm half mesh 120 mm, nylon 3 mm, two colours
No. 2341	Football net 740 x 250 = 210 x 210 cm half mesh 120 mm, nylon 3 mm, black
No. 2342	Football net 740 x 250 = 210 x 210 cm half mesh 120 mm, nylon 3 mm, white
No. 2346	Football net 740 x 250 = 210 x 210 cm half mesh 120 mm, nylon 3 mm, two colours
No. 2350	Football net 740 x 250 = 80 x 200 cm half mesh 60 mm, nylon 2,5 mm, white
No. 2355	Football net 740 x 250 = 80 x 200 cm half mesh 120 mm, nylon 3 mm, black

Polyethylene

No. 2321	Football net 740 x 250 = 90 x 150 cm half mesh 150 mm, polyethylene 4 mm, green
No. 2325	Football net 740 x 250 = 90 x 210 cm half mesh 150 mm, polyethylene 4 mm, green
No. 2331	Football net 740 x 250 = 80 x 200 cm half mesh 150 mm, polyethylene 4 mm, green

MINI-FOOTBALL GOAL NETS

These nets are manufactured from braided nylon or braided polyethylene twines therefore have the best characteristics related to elasticity, knot fastness, resistance to rapid wear and breaking.

All nets are manufactured in our company, which pays a great attention to quality and durability of nets. The net colour depends upon our customer's request. Our nets have always enclosed additional ropes or strings necessary for fastening of nets to a structure.

No. 2410	Mini-football net 500 x 200 = 90 x 200 cm half mesh 120 mm, nylon 3 mm, white
No. 2411	Mini-football net 500 x 200 = 90 x 200 cm half mesh 125 mm, polyethylene 4 mm, green
No. 2420	Mini-football net 500 x 200 = 100 x 200 cm half mesh 120 mm, nylon 3 mm, white
No. 2421	Mini-football net 500 x 200 = 100 x 200 cm half mesh 125 mm, polyethylene 4 mm, green
No. 2424	Mini-football net 500 x 200 = 80 x 150 cm half mesh 120 mm, nylon 3 mm, white
No. 2425	Mini-football net 500 x 200 = 80 x 150 cm half mesh 125 mm, polyethylene 4 mm, green
No. 2430	Mini-football net 500 x 200 = 80 x 200 cm half mesh 120 mm, nylon 3 mm, white
No. 2431	Mini-football net 500 x 200 = 80 x 200 cm half mesh 125 mm, polyethylene 4 mm, green
No. 2441	Mini-football net 500 x 200 = 95 x 95 cm half mesh 125 mm, polyethylene 4 mm, green
No. 2440	Mini-football net 500 x 200 = 95 x 95 cm half mesh 120 mm, nylon 3 mm, white
No. 2590	Mini-football net 300 x 150 = 60 x 150 cm half mesh 60 mm, nylon 2,5 mm, white

SUPPLEMENTS FOR FOOTBALL

The rope net is very important for football training. The net is manufactured from braided nylon. 4 net bags with metal ring on the top are used for collection and storage of balls. This net is easily attached to the structure with the help of an elastic strap.

According to international standards, there are 7 players in football, the same as in handball.

No. 4775	Marking line for shooting to the goal used in training
No. 4760	Strap for fastening of Superliga net length 1150 cm with loops on both sides of the strap
No. 4770	Wooden markers for marking of limits of a football playing- field
No. 4771	Flags for marking of limits of a football playing- field
No. 3325	Ball bags with metal ring
No. 3330	Typical bag for balls
No. 3990	Protective rope net for football playing- field
No. 2890	Net for shooting to the goal used in training (11 players)
No. 2892	Net for shooting to the goal used in training (7 players)

HANDBALL NET

These nets are manufactured from braided nylon or braided polyethylene twines. Handball goal nets are manufactured in the following colours: yellow, green, red, blue and white.

Handball in interior premises (sports hall)

No. 2520	Handball net 300 x 200 = 80 x 100 cm half mesh 120 mm, nylon 4 mm, white
No. 2570	Handball net 300 x 200 = 65 x 95 cm half mesh 120 mm, nylon 4 mm, white
No. 2574	Handball net 300 x 200 = 65 x 95 cm half mesh 60 mm, nylon 4 mm, white
No. 2575	Handball net 300 x 200 = 65 x 95 cm half mesh 60 mm, nylon 4 mm, two colours
No. 2580	Handball net 300 x 200 = 120 x 120 cm half mesh 120 mm, nylon 4 mm, white
No. 2584	Handball net 300 x 200 = 120 x 120 cm half mesh 60 mm, nylon 4 mm, white
No. 2585	Handball net 300 x 200 = 120 x 120 cm half mesh 120 mm, nylon 4 mm, two colours
No. 2540	Mini handball net 240 x 160 = 50 x 50 cm half mesh 60 mm, nylon 2 mm, white
No. 2541	Mini handball net 240 x 160 = 50 x 100 cm half mesh 60 mm, nylon 2 mm, white

Handball in exterior premises (outside)

No. 2500	Handball net 310 x 210 = 95 x 95 cm half mesh 120 mm, nylon 3 mm, white
No. 2502	Handball net 310 x 210 = 95 x 95 cm half mesh 100 mm, polyethylene 4 mm, green
No. 2516	Handball net 310 x 210 = 95 x 150 cm half mesh 120 mm, nylon 3 mm, white
No. 2518	Handball net 310 x 210 = 95 x 150 cm half mesh 100 mm, polyethylene 4 mm, green
No. 2522	Handball net 310 x 210 = 80 x 100 cm half mesh 100 mm, polyethylene 4 mm, green
No. 2525	Handball net 310 x 210 = 80 x 200 cm half mesh 100 mm, polyethylene 4 mm, green
No. 2526	Handball net 310 x 210 = 80 x 200 cm half mesh 120 mm, nylon 3 mm, white

ICE-HOCKEY GOAL NETS

Nets for ice hockey are manufactured from braided nylon twines. Nets are manufactured with additional loops, with the help of which they are fastened to an ice-hockey goal.

No. 2602	Net for ice-hockey AA Canada 3 mm, half mesh 40 mm, nylon, with double borders	185 x 125 = 45 x 100 cm
No. 2604	Net for ice-hockey AA Canada 3 mm, nylon, white, with double borders	185 x 125 = 60 x 100 cm
No. 2610	Net for ice-hockey Canada 3 mm, nylon, white	185 x 125 = 45 x 100 cm
No. 2612	Net for ice-hockey AA Canada 3 mm, 40 mm nylon, with double borders	185 x 125 = 45 x 100 cm
No. 2630	Net for ice-hockey AA Raga 3 mm, nylon, white	185 x 125 = 40 x 50 cm
No. 2631	Net for ice-hockey AA Raga 5 mm, knotless nylon, white	185 x 125 = 40 x 50 cm
No. 2632	Net for ice-hockey AA Raga 5 mm, knotless nylon, white	185 x 125 = 45 x 65 cm
No. 2640	Net for ice-hockey Canada 5 mm, knotless nylon, white	185 x 125 = 45 x 100 cm
No. 2840	Net for ice-hockey with string	184 x 124 cm
No. 2870	Net for ice-hockey with rope	185 x 124 cm

HOCKEY

The net is manufactured from nylon or polyethylene. For your selection, we offer nets of various sizes, models and forms. Below, the most marketable nets are specified.

No. 2700	Net for hockey AA 3 mm, nylon, white	350 x 210 = 100 x 200 cm
No. 2702	Net for hockey AB 3 mm, polyethylene, white	350 x 210 = 100 x 200 cm
No. 2705	Net for field hockey AB 3 mm, polyethylene, green	366 x 210 = 90 x 120 cm
No. 2707	Net for hockey AB 3 mm, polyethylene, green	360 x 210 = 95 x 175 cm
No. 2708	Net for mini-hockey AB 3 mm, polyethylene, green	250 x 160 = 80 x 160 cm
No. 2850	Net for hockey (for catching)	250 x 160 cm
No. 2860	Net for hockey (for catching)	350 x 215 cm

No. 2722	Net for hockey AB 2 mm, polyethylene, white	60 x 45 = 35 x 35cm
No. 2726	Net for hockey AA 2 mm, 50 mm, 2 mm nylon, green	90 x 60 = 35 x 46 cm
No. 2732	Net for hockey AA 2 mm, nylon, white	95 x 60 = 50 x 50 cm
No. 2740	Net for hockey AB 2 mm, polyethylene, green	60 x 45 = 25 x 25 cm
No. 2745	Net for hockey AB 2 mm, polyethylene, green	90 x 60 = 40 x 40 cm
No. 2750	Net for hockey AB 2 mm, polyethylene, white	145 x 105 = 40 x 70 cm
No. 2755	Net for hockey AB 2 mm, polyethylene, green	100 x 75 = 40 x 75 cm
No. 2760	Net for hockey AA 3 mm, nylon, black	160 x 116 = 40 x 65 cm
No. 2762	Net for hockey AA 2 mm, nylon, black	160 x 116 = 40 x 65 cm
No. 2875	Net for hockey (for catching)	160 x 115 cm

TENNIS

Nets for tennis are manufactured from nylon and polyethylene, size of the half mesh is 45 mm, thickness of net twine 3 mm. The top of all tennis nets is hemmed with a synthetic band, which is extremely strong. A net of a standard type is fastened to a structure with steel wire, of which the diameter is 5 mm.

Nets conform to international standards. 1275x105cm.
In addition to that, our Company also manufactures nets for mini-tennis.

Moreover, we also manufacture nets for rimming of a tennis field. They can either be white, black or green, size of half mesh 40-50 mm. Just call us and get a special offer.

No. 2900	Net for tennis AA	3 mm nylon, black	1275 x 105 cm
No. 2902	Net for tennis AA	3 mm nylon, double net on the top of the net	1275 x 105 cm
No. 2904	Net for tennis AB	4 mm polyethylene, black	1275 x 105 cm
No. 2905	Net for tennis AB	2 mm nylon, black	1275 x 105 cm
No. 2910	Net for tennis B	2 mm twisted polyethylene, green	1275 x 105 cm
No. 2912	Net for mini-tennis AA	3 mm nylon, black	600 x 80 cm
No. 3335	Bag for tennis-balls (15 tennis-balls)		
No. 3350	Regulating band for tennis		
No. 3352	Regulator		

NET FOR VOLLEYBALL COMPETITION

This net is manufactured from nylon twine; thickness 3 mm, size of net half mesh 100 mm. The net on the top is hemmed with a polyester and, width 70 mm. The bottom and sides of the net are also hemmed with a polyester band.

NET FOR VOLLEYBALL COMPETITION CONFORMING TO INTERNATIONAL STANDARDS

Net is braided of black nylon twine; thickness 3 mm, size of half mesh 100 mm. The net on the top is hemmed with a polyester band, width 70 mm and on the bottom with the same band of 50 mm. Net is fixed to a structure with a string, thickness 5 mm. Auxiliary fastening strings are attached to the sides of the net.

NET FOR VOLLEYBALL TRAINING

This net is manufactured from double twisted nylon, size of the half mesh 100 mm. Borders of the net are hemmed with a polyester band of 4 mm. For fastening of the net, a polyester band of 6 mm is used. Length of the net may be from 6 up to 10 meters.

Net for volleyball training with a band

This net may also be manufactured with a hemmed border.

No. 3002	Net for volleyball according to international standards, top band 140 mm	950 x 105 cm
No. 3012	Net for volleyball competition, standard	950 x 105 cm
No. 3030	Net for volleyball training	950 x 105 cm
No. 3055	Net for volleyball training with a band	950 x 105 cm
No. 3093	Net fastener for stretching of the net	

Stake dug into the sand, which may be tepped over easily

BEACH VOLLEYBALL

This type of sports requires a light and flexible set of net. The set includes the net with green borders, plastic support for the net, wire for stretching of the net and plugs, field-marking band (red) along with stakes for the field corners.

Net is dedicated for the cultivation of three sports games

The net dedicated for playing badminton, volleyball and tennis. The net is a traditional badminton net with width of 6 m, however it may be attached in different height. It is easy to carry away to the beach. It is quickly mounted and demounted, within a few minutes of time. It is sold with all auxiliary parts.

No. 3090	Net for playing beach volleyball together with a band to mark the field and transportation bag.
No. 3084	Net for beach volleyball, attached to immovable stands
No. 3092	Red band, width 50 mm, for marking the volleyball grounds 8 x 16 m
No. 3155	Net dedicated for playing three sports games, badminton, volleyball and tennis 600 x 80 cm

BADMINTON NET

This net is manufactured from nylon, size of the half mesh 20 mm. Size of the net is 660 x 80 cm. The top of the net is hemmed with a strong synthetic band and sewn with double seams. The bottom of the net is strengthened with a black nylon yarn, thickness 4 mm.

Velcro net for badminton

This net is manufactured from nylon, size of the half mesh 20 mm. The net is dedicated for various net holders, size 660 x 80 cm. The top of the net is hemmed with a strong synthetic band and sewn with double seams. The bottom of the net is strengthened with a black nylon yarn, thickness 4 mm. The side borders of the net are hemmed with a special band of Velcro material as well as adapted for attaching to the support. The net is attached with the help of a strong synthetic yarn.

Net is dedicated for playing of three sports games (3 in 1)

The net dedicated for playing badminton, volleyball and tennis. The net is a traditional badminton net with width of 6 m, however it may be attached in different height. It is easy to carry away to the beach. It is quickly mounted and demounted, within a few minutes of time. It is sold with all auxiliary parts.

No. 3105	Badminton net with knots	604 x 80 cm
No. 3110	Badminton net Velcro	600 x 80 cm
No. 3120	Badminton net with rope	600 x 80 cm
No. 3140	Standard badminton net, for training	600 x 80 cm
No. 3155	Net dedicated for three sports games (3 in 1), volleyball- badminton-tennis	600 x 80 cm

BASKETBALL

The net for a basketball hoop is woven manually from nylon yarn, thickness 3, 5 or 7 mm. These nets are sufficiently strong and durable. Nets are woven from 12 net meshes.

Net of the basketball hoop with fringes

No. 3300	Net for basketball hoop 7 mm nylon yarn, white
No. 3305	Net for basketball hoop 5 mm nylon yarn, white
No. 3310	Net for basketball hoop 3 mm nylon yarn, white
No. 3315	Net for basketball hoop 5 mm cotton yarn, with fringes
No. 3312	Basketball hoop from stainless steel

PROTECTIVE NET/ NET-SHIELD

We manufacture nets of this type for various sports branches. Nets are manufactured from various nettings, depending on the sports type, mounting possibilities for these nets vary and also depend on the sports type and particular conditions.

For many years, we have manufactured such protective nets and have gained great experience, which is very important selecting complex materials for these nets.

The wall net for handball halls is one of the types of the net, which has been manufactured for a long time by our Company. They are manufactured from nylon, size of half mesh is 50 or 120 mm. Possibilities regarding border finishing of the net are very diverse. Moreover, the net may be woven from holes in size of 50 mm at the bottom and 120 mm on the top. In addition to that, the top and bottom parts of the net are made of tarpaulin and therefore the protective shield may be divided into two separate sections as well as used separately.

Just call us and get a special offer, which you will be pleased with.

Protective nets are made for football, tennis, squash, golf, ice hockey, hockey, cricket, table tennis, ball pushing and other sports games.

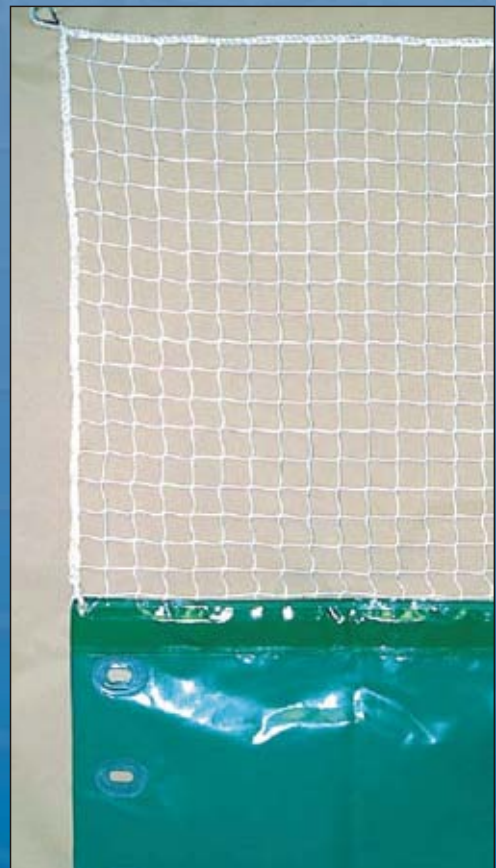

Metal hook

Plasticclip

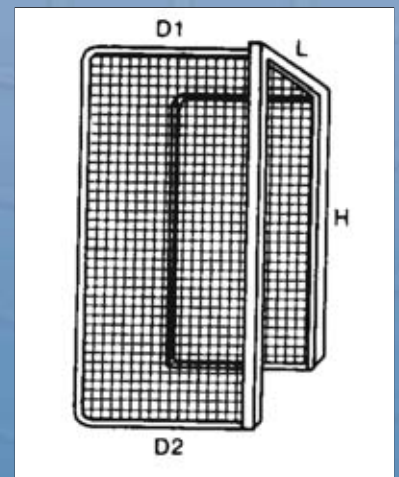

No. 3800	Protective net with rope and hooks 120 mm, nylon
No. 3830	Protective net with rope and hooks 50 mm, nylon
No. 3880	Protective net with hemmed border 120 mm, nylon
No. 3885	Protective net with hemmed border 50 mm, nylon

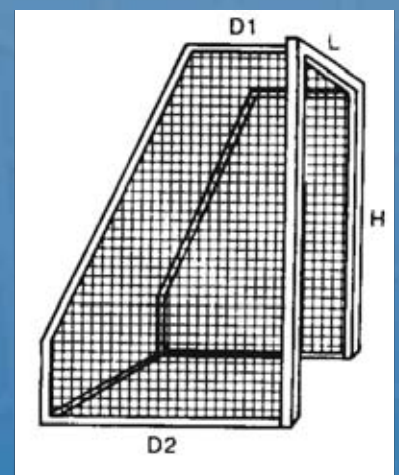

ROPE NET FOR HANDBALL AND FOOTBALL GOALS

Among all the net models to be found in our catalogue, we can also offer the models of another standard. Just call us and find out more. Articles according to nonstandard measurements are made only upon signing of a contract.

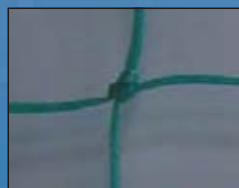

Selection of materials has always been of a high importance to us. Nets are manufactured from nylon or polyethylene. These two types of materials are especially suitable in the north conditions, namely they are strong, durable and are protected against ultraviolet rays, which ensures long use.

$$L \times H = D1 \times D2$$

3 mm nylon

4 mm polyethylene

3 mm polypropylene

Dependence of the rope supporting weight from its thickness, type and material used in production				Average rope durability
Rope thickness	2 mm	3 mm	4 mm	
Nylon	145 kg	214 kg	295 kg	Over 4 years
Polyethylene	90 kg	140 kg	194 kg	2-3 years
Polypropylene	70 kg	112 kg	155 kg	1-2 years
